

8th International Halal Food Conference

Navigating Through The Global Halal Landscape

-  **DATE** August 30 – September 1, 2021
-  **TIME** 9:00 a.m. - 1:00 p.m. Central European Summer Time (UTC+2)
-  **VENUE** Virtual via Zoom

The halal landscape is changing with the implementation of the Halal Law no. 33 of 2014 in Indonesia, the rise of halal accreditation in the Middle East, the new halal laws in Pakistan, as well as other developments around the world. This conference will discuss all these changes as well as other factors impacting the ability of the industry to meet the needs of the \$2 trillion global halal market. Featured speakers from across the halal landscape, including government, industry, and academia will show attendees how to navigate through this evolving landscape so the availability of halal certified products is not interrupted.
